

MONTHLY NEWSLETTER

WHAT HAPPENED

This month we were very grateful to work with GWR and the SCRP who provided us with a try a train experience day. We also started a third support group session in Tilehurst which we are hoping will be able to help even more families.

We also did an interview for Basingstoke radio which aired on 29th October and is on our social media pages and website. As nerve wrecking as it was we enjoyed it and hope it helped spread the word of Fifi's Vision so we can help as many families as possible

WHAT'S HAPPENING

We are now providing three support groups a week as well as various other get togethers. We are still on the look out for a permanent base for Fifi's Vision to enable us to provide even more support for our families. We are working with various organisations to be able to provide more support and information for families.

FUTURE PLANS

Next month we will be starting our parent respite sessions. We are hoping to start doing these once a month but this will depend on venue costs and interest.

We will soon be planning Christmas and next year's activities.

We also have some very exciting news that we can't wait to tell you all. We are looking forward to sharing our next big thank-you, watch this space.

THANKYOU

We would like to say a huge thankyou to all of our donors. This month we would like to say a special thank-you to Smox for their generous donations and help moving all of our equipment to our new storage space. We are extremely grateful to them for donating their time and their generous gifts towards our parent respite day next month. You can find them on Facebook and they are always more than happy to help when they can.
